- In order to receive the Level 2 additional Free Product, a Consultant must first meet the minimum Personal Retail Sales for Level 1 Quick Start. Meaning when a Consultant sells \$1,200 and has 1 new Activated Consultant in her first 30 days she will receive \$100 in Free Product plus \$200 for a total of \$300
 - If she does not sell the minimum for Level 1, but sponsors one new Consultant, she does not receive the bonuses.
 - New Consultants can earn Free Product at each level for a total of \$1,600 in Free Product plus a 45% Buying Discount for as long as she mains an Active Consultant.
 - To earn the Level 2 Bonus, a new Active Consultant sponsored during each time frame can only count once and will not qualify you for the minimum requirements for more than one time frame. For instance, a new Active Consultant sponsored in 30 days will not count towards the 30 day requirement but not the 60 day Level 2 bonus.
- Eligible Consultants achieving a 45% Buying Discount with the Quick Start bonus may purchase with this discount as long as they remain Active.
- The Corporate Office selects the Free Product awarded to an eligible Consultant. Free Product is added to the Consultant's account the month following the achievement.
- A Consultant who fails to reach the 30-day minimum, but then subsequently reaches the 60-day minimum, will be awarded Free Product based on the 60-day Level 1 and Level 2 bonus amounts. Consultants achieving every level in the Quick Start program will be awarded Free Product at each level she achieves.
