Reconnect With Your Goals

Want to make 2013 great??? Complete the following with as much detail as possible. Keep in mind this worksheet will be for your eyes only so you will not have to share your goals with others unless you want to.

Short Term – Achievable Now!

List some of the little things that make life fun. What are some of those extras that you wish could fit into your budget more often? Are there certain bills that you want to cover or eliminate? Think of things that cost less than \$1,000. These are short-term goals, quickly achievable with your Pure Romance business.

Specific Pure Romance Goals

What positions, promotions, incentives, or recognition do you want to earn? Is it a Board of Directors position? Perhaps enjoying a free vacation by becoming an Incentive Trip Winner? Would you like to become a Sr. Director (or other Consultant Level)? Use the space below to list your specific Pure Romance incentive goals:

Long Term – Next Year or So

These goals are your bigger dreams and take more investment to achieve – like new furniture, a car, a new home, college tuition, etc. These long-term goals will take some time and planning. But, like many Pure Romance Consultants before you will be able to create a plan, work that plan and achieve your dream!

The Future–Your View in 5 Years

Close your eyes and imagine your ideal future! What does your house look like? How is your home furnished? How is it landscaped? Where is it located? What type of car is in the driveway? How many cars? What colors? Who is there with you and what are you doing? Imagine the whole picture. Write it down everything you “see” in your future and include lots of details! (Use the back of this page if needed!)
