Hostess Information

Our party is scheduled _____ @ _____

We will start on time so if your friends are usually late tell them that we will start 15 minutes earlier than our scheduled time.

- We have a NO men, NO children policy, including infants, all of your guests have to be women over the age of 18. I cannot do the party if there are men or children present on the property.
- Invite your guest using word of mouth, Facebook, phone calls, text messages, personalized invites and email. Also invite your guest to bring along a friend, the more the merrier.
- If any of your guests cannot attend your party, ask them if they would like to help you out by placing an order, using the catalog and order forms provided, for out of town orders please direct them to my website: www.sueeagleton.pureromance.com.au
- I will arrive 15–30 minutes prior to the party to set up my display.
- I will provide my own table; I just need a clear space to set up.
- All orders are confidential so I will need a private space away from the party for ordering.
- You will be able to take your purchased items home with you the night of the party.
- The forms of payment that I accept are Eftpos & Cash
- If possible please reserve a close parking space for me.

I look forward to your party, and showing our amazing product line. If you have any questions feel free to call, text or email me.

Thank you!!
